SOLUTIONS CRAFTED FOR YOU.!

LAND TRANSPORTATION ACROSS GCC

Flame Logistics offers reliable and efficient land transportation services across the GCC. With our own fleet and skilled team, we ensure secure, on-time cargo delivery tailored to diverse business needs.

FTL & LTL TRANSPORTATION SERVICES

Flame Logistics provides reliable Full Truck Load (FTL) and Less Than Truck Load (LTL) transportation services across the GCC.

Whether you require a dedicated truck for large shipments or a cost-effective solution for smaller cargo, we ensure safe handling, timely delivery, and efficient service tailored to your business needs.

WAREHOUSING AND DISTRIBUTION

Our secure and well equipped warehouses enable safe storage and smooth distribution.

We provide efficient inventory management, handling, and timely dispatch to ensure seamless supply chain operations.

PACKING AND MOVING

Flame Logistics delivers professional packing and moving services with high quality materials and skilled handling.

We ensure safe, secure, and damage-free movement of goods.

INDUSTRIAL CRATING

We specialize in customized industrial crating solutions for equipment and sensitive cargo.

We ensure maximum protection during handling and transit, meeting international standards and client-specific requirements.

LAST MILE DELIVERY

"Flame Logistics provides dependable last-mile delivery to complete your supply chain with complete accuracy. We move cargo efficiently from regional hubs and warehouses directly to your final destination or client. Count on our dedicated team for safe, timely, and seamless final-stage distribution."

TERMINAL SERVICES

Flame Logistics offers efficient and secure terminal handling services to support smooth cargo movement across the GCC. Our terminal services include cargo receiving, temporary storage, loading and unloading, cross-docking, documentation handling, and dispatch coordination.

With organized operations and strict safety standards, we ensure fast turnaround times and accurate cargo management to keep your supply chain running without delays.

STUFFING AND LASHING

We deliver comprehensive stuffing and lashing solutions designed to ensure the safe handling and secure transportation of your cargo. Our skilled professionals utilize industry-approved methods and high-quality securing materials to optimize load distribution, prevent movement, and minimize the risk of damage during transit. With strict adherence to safety standards and operational best practices, we guarantee reliability, efficiency, and complete cargo protection from origin to destination.

RELOCATION SERVICES

We provide professional relocation solutions for households, flats, offices, and commercial spaces. Our team ensures careful packing, secure loading, safe transportation, and efficient unloading, making every move smooth, reliable, and stress-free.

OFFICE SHIFTING

We provide organized and efficient office relocation services, ensuring smooth transition with minimal downtime.

EXHIBITION CARGO HANDLING

We offer specialized logistics solutions for exhibition cargo, ensuring timely and secure movement of materials and equipment to and from event venues.

PROJECT CARGO HANDLING

We specialize in handling project cargo of all sizes and complexities. Our expert team manages planning, loading, transportation, and unloading of oversized, heavy, or sensitive equipment, ensuring safe, timely, and efficient delivery for industrial and commercial projects.

CUSTOMS CLEARANCE

We simplify the customs clearance process with accurate documentation and efficient coordination, ensuring quick clearance and compliance with regulations.

CONTAINER TRANSPORTATION

We offer secure and cost-effective container transportation solutions across the GCC. Our fleet and experienced team ensure reliable movement for all types of cargo.

DOCUMENTATION SERVICES

We provide complete documentation support for all types of cargo and relocations. Our team ensures accurate preparation of shipping papers, customs clearance documents, permits, and compliance certificates, guaranteeing smooth and hassle-free transit for your goods.

CARGO INSURANCE

We offer comprehensive cargo insurance to protect your goods against loss, damage, or unforeseen risks during transit. Our solutions provide peace of mind, ensuring your shipments are fully covered from origin to destination.
